

## National Science Foundation

## § 607.12

(c) When the NSF is the creditor agency and the employee has already separated from Federal service and all payments due from the paying agency have been paid, the Chief Financial Officer may request, unless otherwise prohibited, that money payable to the employee from the Civil Service Retirement and Disability Fund or other similar funds be collected by administrative offset.

(d) When the NSF is the paying agency, upon receipt of a properly certified debt claim from another agency, deductions will be scheduled to begin at the next established pay interval. The employee must receive written notice that NSF has received a certified debt claim from the creditor agency, the amount of the debt, the date salary offset will begin, and the amount of the deduction(s). NSF shall not review the merits of the creditor agency's determination of the validity or the amount of the certified claim. If the employee transfers to another agency after the creditor agency has submitted its debt claim to NSF and before the debt is collected completely, NSF must certify the amount collected. One copy of the certification must be furnished to the employee. A copy must be furnished to the creditor agency with notice of the employee's transfer.

### § 607.8 Procedures for salary offset.

(a) Deductions to liquidate an employee's debt will be by the method and in the amount stated in the Chief Financial Officer's notice of intention to offset as provided in § 607.4. Debts will be collected in one lump sum where possible. If the employee is financially unable to pay in one lump sum, collection must be made in installments.

(b) Debts will be collected by deduction at officially established pay intervals from an employee's current pay account unless alternative arrangements for repayment are made.

(c) Installment deductions will be made over a period not greater than the anticipated period of employment. The size of installment deductions must bear a reasonable relationship to the size of the debt and the employee's ability to pay. The deduction for the pay intervals for any period must not

exceed 15% of disposable pay unless the employee has agreed in writing to a deduction of a greater amount.

(d) Unliquidated debts may be offset against any financial payment due to a separated employee including but not limited to final salary or leave payment in accordance with 31 U.S.C. 3716.

### § 607.9 Refunds.

(a) NSF will promptly refund to an employee any amounts deducted to satisfy debts owed to NSF when the debt is waived, found not owed to NSF, or when directed by an administrative or judicial order.

(b) Another creditor agency will promptly return to NSF any amounts deducted by NSF to satisfy debts owed to the creditor agency when the debt is waived, found not owed, or when directed by an administrative or judicial order.

(c) Unless required by law, refunds under this section shall not bear interest.

### § 607.10 Statute of limitations.

If a debt has been outstanding for more than 10 years after NSF's right to collect the debt first accrued, the agency may not collect by salary offset unless facts material to the Government's right to collect were not known and could not reasonably have been known by the official or officials who were charged with the responsibility for discovery and collection of such debts.

### § 607.11 Non-waiver of rights.

An employee's involuntary payment of all or any part of a debt collected under the regulations in this part will not be construed as a waiver of any rights that the employee may have under 5 U.S.C. 5514 or any other provision of law.

### § 607.12 Interest, penalties, and administrative costs.

Charges may be assessed on a debt for interest, penalties, and administrative costs in accordance with 31 U.S.C. 3717 and the Federal Claims Collection Standards, 4 CFR 101.1.
